## ENRICHING YOUR LIFE WITH FAMILY AND LOVED ONES AT THE PENINSULA BANGKOK

Since the company was first established in 1866, the group now known as The Peninsula Hotels has achieved significant milestones through the years alongside its valued customers. This has been attained by providing the utmost service to guests, their families, loved ones and the community in which it operates. To further this success, The Peninsula Bangkok is pleased to share the group's long-term theme "Enriching Your Life" which revolves around a focus on "Me", "Family and Loved Ones", and "Community" throughout the year.

After concluding last season's successful emphasis on the "Me" part of this theme, The Peninsula Bangkok now invites guests to enjoy heart-warming offers dedicated to "Family and Loved Ones" this May to August. An array of meaningful activities are introduced, including a dramatic marriage proposal, customisable family reunion options, packages for new graduates and spa treatments accompanied by culinary specialities.

### A "Once-in-a-Lifetime" Proposal

Turn a once-in-a-lifetime proposal into a once-in-a-lifetime memory at The Peninsula Bangkok. Dinner is followed by a cruise along the River of Kings on The Peninsula Boat, decorated with a bouquet flower arrangement and a violinist providing romantic background music. When the time of night is right for that special moment, a spectacular fireworks display in the sky provides the perfect prelude to popping the once-in-a-lifetime question.

To complete the evening, the soon-to-be-married couple spends the night at The Peninsula Bangkok's Grand Deluxe Suite, with a Champagne breakfast next morning, all this for only THB 140,000.
