AT THE PENINSULA BEVERLY HILLS SPA**
A revitalizing 90-minute spa treatment only available from August - October 2010

BEVERLY HILLS, CALIF. (July 1, 2010) The Spa at The Peninsula Beverly Hills introduces the “**Shiffa Gemstone Facial**,” an exclusive revitalizing treatment that utilizes the unique gemstone oils created by Shiffa Skincare, which specializes in holistic, natural skincare products inspired by ancient Arabia. The relaxing 90-minute treatment includes a cleansing, an exfoliation and a Balancing Green Clay Mask or a Rejuvenating Rose Face Mask. Following this, the guest enjoys a soothing facial massage with a cool jade stone massage roller, which stimulates the facial muscles and tones the skin.

For the massage, guests can choose from Shiffa’s four Gemstone Oils, each of which has a real gem in the bottle and imbues a different energy to the body. Perfumed with pure, natural floral and herbal scents, the Shiffa Gemstone Oils are also used in the final step in the treatment – a refreshing massage to the hands and feet.

- **Shiffa Anti-Aging Diamond Facial**

Diamonds symbolize balance and harmony. The “**Shiffa Diamond Facial**” helps firm mature skin, eases tension in the face and reduces signs of premature aging.

- **Shiffa Balancing Emerald Facial**

Symbolizing strength and balance, emeralds have a detoxifying effect on the body. The “**Shiffa Emerald Facial**” helps balance oily skin, and purifies and revitalizes a dull complexion.
