## **A SUITE-LOVING FAMILY EXPERIENCE AT THE PENINSULA HONG KONG**

The Peninsula Hong Kong welcomes families to live a suite life, one enhanced by a fantastic assortment of benefits to further sweeten the getaway experience. The price for this fun-filled Peninsula stay is just HK\$9,800 (subject to 10% service charge).

The Suite-loving Family Experience begins from the moment guests arrive at the airport, with a chauffeur-driven transfer to the hotel in one of The Peninsula's Rolls-Royce Extended Wheelbase Phantoms, a service that is repeated upon departure. The family can then enjoy their time together in one of The Peninsula's world-renowned suites providing opulence, comfort and efficient, unobtrusive service. At 121 square metres (1,344 square feet), the Deluxe Suite offers a full range of facilities such as CD and DVD players, multi-voltage universal connectors, a silent fax machine and complimentary high-speed wired and wireless broadband Internet access. In addition, the suite features a super king-size bed (package includes up to two extra beds on a complimentary basis), separate dining area, a living room and spacious bedroom.

The Peninsula is well aware that parents truly value their "alone time" especially when they are on holiday. The Suite-loving Family Experience allows parents to unwind in the Private Couples' Suite in The Peninsula Spa by ESPA while enjoying 1 hour 20 minutes of bespoke treatments. The children, meanwhile, can have fun at their very own, fully-supervised cooking class organised especially for youngsters six to 15 years old (babysitting service is offered for children under six years of age).
