## **IT'S ALL ABOUT LOVE AT THE PENINSULA HONG KONG**

The Peninsula Hong Kong has staged and witnessed countless important moments in our guests' lives over the last 81 years. From spectacular proposals to so many "I Do's!", and from first dates to the celebration of the arrivals of new family members, the hotel has been the venue where these special occasions are made even more memorable.

According to the Chinese Lunar Year calendar, 2009 is an auspicious year for marriage and childbirth and with this in mind, the hotel has created a number of unique and fabulous packages especially tailor-made for celebrating all of life's most significant loving moments.

- **Words of Love** – How would you like to say those four magic words, "Will you marry me?" No matter what you are planning – a romantic evening, a secluded beach – The Peninsula's wedding experts are ready to help you wow your loved one ensuring that "Yes" will be the only word you will hear.

With the "Words of Love" package, airport transfers are by chauffeured Rolls-Royce, while accommodation is in a Grand Deluxe Harbour View Room or a Grand Deluxe Harbour View Suite. The package also includes a cosy half-day spa treatment for two in The Peninsula Spa by ESPA's exclusive harbour-view Couples' Suite. A private candlelit dinner on the Sun Terrace follows, with a spectacular view of the harbour, and a violinist playing your favourite love songs.

It is at this very moment that the hotel can arrange for a giant helium balloon – with the words, "Marry Me?" – to rise from below the terrace in full view. And if you cannot wait to share your joy with family and friends back home, a Peninsula-designed e-mail announcement can also be prepared and sent out the very next day. The Words of Love package starts from HK\$ 28,880 (subject to 10% service charge).
