HONG KONG

LOVE IS IN THE AIR AT THE PENINSULA HONG KONG

Since 1928, when The Peninsula first opened its doors, the hotel has been the backdrop for countless monumental moments in our guests' lives, from proposals to weddings, and from first dates to 50th wedding anniversaries. This year the hotel offers a new wedding package where couples can marry inside the hotel's own helicopter – a first for Hong Kong.

Say "I Do!" high above the city in the hotel's exclusive twin-engine Aerospatiale Squirrel helicopter, together with a wedding celebrant and two witnesses. Then celebrate the joy with your family and friends over light lunch or a cocktail reception at the China Clipper lounge located on the 30th floor of the hotel.

The China Clipper is the perfect place to begin a lifetime of wedded bliss. Featuring sweeping harbour views, the exclusive aviation-themed lounge is designed to make this once-in-a-lifetime event even more special and memorable.

Couples who purchase this package will experience one night in a honeymoon suite with Champagne, flowers and fruit; the luxury of being whisked to and from their residence in a chauffeur-driven Rolls-Royce Extended Wheelbase Phantom; plus breakfast for two in the suite. The pièce de résistance? A candlelit dinner for two in Gaddi's.

On the couple's Big Day, The Peninsula's banqueting team will take care of everything, from the flowers to the photographer, and from the music to the wedding service.
