**WITH THE SUITE EXPERIENCE AT THE PENINSULA HONG KONG**

*- Great Style, Great Space & Great Savings!*

The Peninsula Hong Kong invites guests to live the suite life, enhanced by a fantastic assortment of benefits to sweeten the experience.

The diverse range of suites at The Peninsula Hong Kong are the most spacious and luxurious in the city, while a range of exclusive services and benefits included in the rack rates (the full published prices for the suites) offering great savings make The Suite Experience also the wisest and best value option.

“Today’s affluent travellers are more savvy than ever before, and they want the best in product and value,” says Mr Peter Borer, Chief Operating Officer of The Peninsula Hotels. “When they think of The Peninsula, they should think of the legendary service, the luxury of being driven to and from the airport in a Rolls-Royce, outstanding culinary offerings, and all the added benefits that comprise the Suite Experience.”

From the moment guests arrive at the airport, the Suite Experience begins with a complimentary chauffeur-driven transfer to the hotel in one of The Peninsula’s green Rolls-Royces, a service that is repeated upon departure. Every day, guests are treated to breakfast for two, not to mention unlimited access to the mini-bar in the suite, and at the end of the stay, there will be no rush to leave with late check-out at 4:00 pm. The pièce de resistance? A HK\$ 1,500 food and beverage credit for culinary delights in one of our award-winning restaurants.
