

“2009 – A Year of Giving”

One of The Peninsula’s core philosophies is “giving” to its customers and community. The Peninsula Tokyo continues to embrace this belief with its year-long theme “2009 – A Year of Giving” by offering the opportunity to fight breast cancer while revitalizing at irresistible prices. For the second year, The Peninsula Tokyo will illuminate its exterior in pink during October in support of the Pink Ribbon Breast Cancer Campaign and a percentage of October’s sales from “2009 – A Year of Giving” spa treatments will be donated to local breast cancer charities.
