## **THE BEST OF WINTER - “WINTER ESCAPES” AND “THE SUITE LIFE” AT THE PENINSULA HOTELS**

*Affordable luxury, room upgrades, treats or complimentary suite stays  
all ‘Enrich Lives’ this winter*

The Peninsula Hotels’ commitment to enriching guests’ experiences and their lives with family and friends continues with personalised **Winter Escapes** and **Suite Life** programmes, valid from 1 November 2010 until 31 March 2011, offering exciting value-added benefits ranging from room upgrades, rejuvenating spa treatments, culinary choices, airport transfers and more.

With the aim of enhancing the guest experience in each of The Peninsula Hotels, the group developed “Enriching Your Life”, an innovative programme that further defines not only its customers’ experiences, but those of their friends, family and the community – in short, a theme that provides guests and those important to them with episodes and activities that enrich their lives.

These include healthy eating, caring for body and mind through wellness programmes, learning new facts and skills through cultural and cooking classes, celebrating special occasions with “Milestones of Life”, enjoying quality family time and raising funds for community charities.

Each of these activities has long been part of The Peninsula’s philosophy, and now with the groupwide theme of “Enriching Your Life”, The Peninsula Hotels focuses on experiences and choices from the **Winter Escapes** and **The Suite Life** programmes, meant to be shared and enjoyed.
