BANISH THE WINTER BLUES – INDULGENT TREATS WITH “WINTER ESCAPES”, OR COMPLIMENTARY NIGHTS WITH “THE SUITE LIFE”

As the mantle of winter descends and cooler months arrive, thoughts turn to escaping the daily routines and indulging in some truly luxurious personal pampering, either by basking in the warm tropical climes of Asia or by maximising a well-earned city break in the US at one of our Peninsula properties – an ideal way to banish those cool weather blues.

This winter The Peninsula Hotels enables travellers to do just that, with the introduction of two special programmes for the winter months - **Winter Escapes** and **The Suite Life**.

Winter Escapes helps guests to personalise their stays with a customised selection of benefits at each hotel, while **The Suite Life** gives guests booking a two night stay in a suite the second night with the compliments of The Peninsula.

Winter Escapes

From 1 November 2009 – 31 March 2010 inclusive, each Peninsula hotel offers a menu of three enticing options. Guests booking rooms or suites can select one to tailor their stay to their personal taste and preferences, making a stay at any of the Peninsula hotels worldwide even more memorable. Highlights include limousine transfers, spa treatments, afternoon tea, spa and dining credits, room upgrades or museum and canal tours.
