“SUMMER SPLENDOUR” AND “THE SUITE LIFE”
AT THE PENINSULA HOTELS
Affordable rates, hotel credits, treats or complimentary suite stays
all ‘Enrich Lives’ this summer

Guests can enrich their lives with family and friends with **Summer Splendour** and **The Suite Life** from now until 30 September 2010, as The Peninsula Hotels provides lavish choices and treats for everyone to indulge their personal style and preferences to make stays even more memorable.

With the aim of enhancing the guest experience in each of The Peninsula Hotels, the group developed “Enriching Your Life”, an innovative programme that further defines not only its customers’ experiences, but those of their friends, family and the community – in short, a theme that provides guests and those important to them with episodes and activities that enrich their lives.

These include healthy eating, caring for body and mind through wellness programmes, learning new facts and skills through cultural and cooking classes, celebrating special occasions with “Milestones of Life”, enjoying quality family time and raising funds for community charities.

Each of these activities has long been part of The Peninsula’s philosophy, and now with the groupwide theme of “Enriching Your Life”, The Peninsula Hotels focuses on experiences and choices from the **Summer Splendour** and **The Suite Life** programmes, meant to be shared and enjoyed.
