SIGNATURE COCKTAILS

A showcase of liquid craftsmanship, these cocktails rise from behind her bar as living stories—spirited tales of the Orient, where Eastern mystique collides with Western technique in a swirl of elegance and rebellion. Each pour echoes the pulse of 1930s Shanghai, a city alive with jazz, trade, and whispered intrigue. Built with balance yet designed to surprise, the menu moves through contrasts: floral notes that whisper in silk, spice that lingers with heat, citrus that sparks with energy, and bitterness that commands with authority.

Every drink is more than a serve—it is a performance, a passport to a time when glamor thrived in shadows and every glass carried a secret. Each sip draws you deeper into that world of allure, mischief, and timeless decadence.
